

Akshay Bhat

Greetings. My name is Akshay Bhat. Having been a full-time resident of this community, I have come to appreciate the Board's efforts thus far: be it road maintenance/snow plowing, enforcement of CCRs, or cost-efficient management. I would love for a chance to be a part of the board and continue the management with the same core values.

A bit about my background: I currently serve in a leadership role within a medium-sized organization. Through this role, I have experience working with diverse groups and aligning people to achieve common goals. Additionally, I have a tech background, and I can help with anything from website maintenance to efficiently managing books. I have a knack for getting things done and am detail-oriented. I am committed to whatever I take on.

Thank you for considering my candidacy. I would be honored to have your vote. =)

Noah Brown

My name is Noah Brown. I was born and raised in the Alaskan wilderness; and in the wilderness your closest neighbors are all you have for support and fellowship. I would like to bring the spirit of the Alaskan community to our Nine Mile Ranch homeowners association.

I have been an uncredited producer on Alaskan Bush People for the past 11 years, and as such, I have become good at interacting with a wide variety of types of people and personalities and coordinating large groups of people. I am proficient with social networking and solving people's problems with an out-of-the-box mindset.

I would like to get to know all of the members of our HOA on a personal level so that I know the individual wants, needs and expectations of our members, that way I can help to the best of my ability to solve problems and make our HOA better for everyone.
