Electronic Notice Authorization
Email Permission Form

Washington state HOA law (RCW 64.38.110) allows for electronic transmission of HOA communications upon consent, in writing, from the Lot Owner.

Filling out the information below, and returning it to the HOA, will allow HOA communications to be sent to you via email instead of US mail. Communications include the annual mailing and required notices and newsletters. The annual mailing includes a voting ballot and voting ballot return envelope; these will continue to be mailed to you by US mail. Assessment invoices will continue to be mailed US mail.

Your agreement to receive email communications will help to reduce mailing costs. Your email address will remain confidential and will be used only for official HOA communications.

I/we choose to receive official HOA communications and Notices via email.
