Marie Jordan

My name is Marie Jordan. I have been a full time resident of Nine Mile Ranch since 2005. I love living here and expect I will be here for many years to come. I served on the HOA Board as Secretary 19 years ago, and have stayed in touch with all goings on within our community. I appreciate the commitment by the current board in their due diligence, transparency in sharing information, their absolute commitment to upholding and enforcing the CCR's, and the fiscally sound decisions they choose each step of the way. I appreciate their stewardship of our Association funds, with the goal of continuing a successful, and sustainable community. This all aligns with the values I hold dear in managing my own life decisions, and living a fiscally sound lifestyle. I have decided to become a candidate for the 9MR HOA Board of Directors.

I am a retired Medical Office Manager/Medical Assistant. I am by nature a very curious person, who seeks knowledge, and I "ask the important questions". I believe in staying informed and up to date. I believe in transparency, fairness and consistency.

Most who have chosen to live here appreciate the level of "freedom" that comes with a really basic set of "rules". The bottom line in our community is pretty simple.....uphold the CCR's and Bylaws, expect excellent stewardship of our monies, make decisions in an equitable manner and maintain our roads. All this protects our property values.

I respectfully ask for your vote, and would be honored to serve and contribute to our community's continued success.
